

RPL PROPOSALS UNDER PMKVY

ASCI has received overwhelming response for RPL participation from various organizations across India. This has resulted in some of the popular Job Roles being oversaturated. Keeping the RPL objective in mind wherein the marginalized population in the unorganized sector needs to be included in the skill India mission, as also, some of the Job Roles that need to be promoted maximizing geographic spread and National Agriculture priorities. ASCI will evaluate proposals which are primarily focused on the undermentioned Job Roles:
