SECTION 3**EVIDENCE OF NEED**

26	What evidence is there that the qualification is needed? What is the estimated uptake of this qualification and what is the basis of this estimate?			
Basis				
Need of the qualification	<p>While collecting data from the companies for the occupational map, we also took feedback from industry, training institutions which was collected with respect to roles for which qualification packs development, was to be prioritized. This was largely based on volume of people required, quantitative and qualitative shortfall which the industry feels they face. Governing council of ASCI and Occupational Standards Committee which comprises of experts & senior leaders gave final approval and endorsement for the same.</p> <p>Fisheries and aquaculture contribute to 0.79 percent to the National GDP and 4.39 percent to agriculture and allied activities. Marine Fisheries contributes to food security and provides direct employment to over 1.5 million fishermen besides others indirectly dependent on this sector. Fisheries and allied sector is transforming into an industry at a fast pace and hence there is a demand for skilled human resource for the development of standard products and services within this sector. The existing potential for production within this sector is expected to rise with increased contribution of the fisheries sector to food and nutritional security.</p>			
Industry Relevance	<p>Validations have been received from CIFA, Professor KUFOS, Central Agricultural University (Imphal), Krishi Vigyan Kendra Thoubal, SAU- Najaji Deshmukh Veterinary Science University, Central Marine Fisheries Research Institute.</p>			
Usage of the qualification	<p>An NSQF aligned training to the persons involved in grooming of Fishing Gear Technician shall provide opportunities to the incumbents for horizontal and vertical career progression. Competency-based training shall imbibe professionalism in the job-role. Being an important and ever-expanding job, the job-role of Fishing Gear Technician may well be included in the vocational education stream of school education.</p> <p>The Qualification Pack shall also be helpful in conducting Recognition of Prior Learning of the Fishing Gear Technician</p>
